L) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Urgent public requirements in order of priority (Max. 07):
	upgradation of Roads particularly <del>in</del> (Guffan to Main Road), Tiling of lanes
	As Education standard is not good in the village (particularly Guffan). So Govt should start special programs to provide quality education
	As electric poles, wiring and transformers are not in good condition, special attention may be given to this area.
	Irrigation canals are in bad condition, the department should provide irrigation facilities to Farmers.
	Most people are demanding Horticulture sub-zone for the village and the machinery related to this sector.
	condition of Health centre is very bad, There is no Govt. building, no x-ray plant, no lab, no drinking water. This sector needs special attention
	People still use canal water for drinking purpose, so special attention may be given to drinking water.
II	Any major complaint brought to notice of the Visiting Officer:
	<p>Lot of complaints were brought to my notice, particularly regarding PDD, RaB, PHE and RDD and Irrigation.</p> <p>As the village is lacking all basic civic amenities.</p>

III	Overall perception of functioning of the government:
	As per the complaints brought by people to my notice, the village is lacking all basic facilities, like roads, drinking water, electricity, irrigation etc. so the functioning of the Govt is not satisfactory.
IV	Overall assessment of visit and suggestions:
	(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The visit was a good experience, the interaction with people of this farflung area was nice but their problems were large. Govt. should make the departments and field officers accountable and periodical feed backs should be received from the people.
