

III Overall perception of functioning of the government:

As there was less participation of people because B2V2 was confined to particular place (Higher Secondary), due to security grounds, yet various deputation reported the spot people are fully satisfied with governance due to sympathetic attitude of higher authorities and appreciated such programmes like B2V2.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

As we could not approach to each and every corner of people and Govt. offices, yet people ~~there~~ appreciate such programmes of Govt. These programmes give them awareness of Govt. and Govt. functioning and people feel governance at door step. The higher authorities must solve the problems of people as priority.
