

Overall perception of functioning of the government:

The people of the G.P who interacted with our team were satisfied with the overall functioning of the govt. departments. The functioning/work and conduct of base level functionaries of (RDS like GRS/VLWS and teachers) were appreciated by the people as they serve them with utmost efforts.

Overall assessment of visit and suggestions:

(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

I found that majority of the population in G.P are living below poverty line and are hardly managing their day to day ends with their primary occupation. To improve their living standard additional schemes like wage generation and self employment should not only be launched but faithfully implemented with more vigour and energy.
