

III Overall perception of functioning of the government:

Functioning of government at Halqa level is though satisfactory yet needs improvement in different parameters like wise PDD, PHE & overall sanitation.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Although B2U1/B2U2 are nice initiatives by the Govt. but I feel people were not so energetic in B2U2 as they were in B2U1. In my opinion the main reason is that their complaints/problems as listed in B2U1 were not addressed which discouraged their active participation. Now my suggestion is that their main problems especially pertaining to road construction, drinking water and electricity should be given due concern at the earliest.
