III Overall perception of functioning of the government:

It has been a historical step by the govt to strengthen the Panchayats by making them vibrant by the active participation of the people. It has been a novel and great experience by seeing people jubilant in order to discuss their problems in threadbare without fear in G.P.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

I have got very much impressed as the people of GP welcomed all the govt. representatives from different departments and appreciated the initiative 'Back to Village' Programme. There is consensus developed among the PR members and Gram Sabh members. The role of GRS was satisfactory.
