| III | Overall perception of functioning of the government:                                                                                                                                                                                                                                                                                                                                                                                                                       |
|     | <p>The Govt Claims to bring good governance at thresholds of people but least concrete is observed on the ground. In this era of technology, no progress can be expected when there is internet lock down. The Govt wants people to be sincere in their duty so it too has to be sincere.</p>                                                                                                                                                                              |
| IV  | <p>Overall assessment of visit and suggestions:</p> <p>(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)</p>                                                                                                                                                                                                                                                                                             |
|     | <p>People showed least interest in B2V2 as the previous one has not fetched any fruits. No des. work was undertaken that were projected in B2V1. Some burning issues were put forth in B2V1 but so far no heed to address them was paid by the Govt therefore V/O has to put a sorry figure. So this report should be taken seriously by the higher up &amp; all genuine demands to be taken care of so that people repose their faith &amp; trust in such programmes.</p> |
