"Back to village" is a noble mission and only one of the fewest programmes through which we can analyse the ground realities and listen each and every one's grievances directly but without the participation of common masses it is a crippled programme. So Govt. should adopt such a mechanism to ensure maximum participation. After B.V. many demands have not been forwarded which can't be fulfilled yet. fulfill these demands as early as possible otherwise in next (BTV) programme no one will participate in these programmes.
