Date of last meeting held: 15/11/2018

3. Whether the Karing region is being monitored by the Parliament Secretariat? Yes

(Office is present in the region)

4. Whether the Information and Study Report has been signed? Yes

12. Bank Account opening and record of funds

| Source of the Funds                      | Relative Bank Account opened | Officer handling the bank account | Funds received | Balance in the account as on 31st Dec 2019 | Showing of bank pass book |
|------------------------------------------|------------------------------|-----------------------------------|----------------|--------------------------------------------|---------------------------|
| 1st Finance Commission                   | Yes                          |                                   | Yes            | Rs. 0.00                                   | Yes                       |
| 2nd Finance Commission                   | Yes                          | Supriya                           | Yes            | Rs. 0.00                                   | Yes                       |
| 3rd Finance Commission                   | Yes                          |                                   | Yes            | Rs. 0.00                                   | Yes                       |
| 4th Finance Commission                   | Yes                          | Ushak                             | Yes            | Rs. 0.00                                   | Yes                       |
| 5th Finance Commission                   | Yes                          |                                   | Yes            | Rs. 0.00                                   | Yes                       |
| Any other Source, if you indicate source |                              |                                   |                |                                            |                           |

Working Officer is personally about the Placement and used the above details. Working Officer will also check that the bank account is in the name of the Parliament and operated by Secretary.

a. Whether Parliament Secretaries Committee has been constituted. Yes

If no, the Working Officer is aware that the Committee is constituted in future process and confirm.

b. 1st Finance Commission Report

a. Whether a plan Action Plan 2019-20 has been prepared. Yes

b. Whether the budget estimates for all works have been prepared. Yes

c. No. of works for which estimates have been prepared. 25 No. (100% to 100%)

g. Whether Section 12523 has been approved by the DCC: Yes

If no, reason being: The Purchased Carriers and delay in April 2004

h. Whether the carrier have been asked: Yes

No. of carriers asked: 15 No. 12 carriers

If no, reason being: The official time to send signed all state

i. Why is buying back under the section being considered under 12523 (2004)

☐ To Support

☐ No

☐ Other (specify): \_\_\_\_\_

iii. Integrated Child Development Scheme (ICDS)

a. Is the Purchased Carrier providing option form of Pre-School level to use in the Integrated Center of the Pre-School: Yes

If no, reason being: Let other use outside

also mention if it is being purchased by someone else: No

b. Is additional being provided to Integrated Centers in the Purchased Carrier

If no, reason being: \_\_\_\_\_

c. Is the Purchased Carrier using curriculum to implement under ICDS Pre-School level: Yes

If no, reason being: \_\_\_\_\_

d. Whether the need to recruit of teachers of teacher and support if recruitment is being monitored by the Purchased: Yes

(Buying Officer to check the register and carry the signature of the Purchased on the same)

ii. The Drain Road (ARL) Scheme

- a. Whether Parish Council/Parish is providing form of Parish Council form for carrying out the work to the scheme. Yes

If no, reason given: ECOS app

- b. Whether the Parish Council/Parish is providing the cost to be used in the actual scheme to the Parish Council. Yes

If no, reason given: Conservation Area (CA)

How much of it is being provided by someone else: City Council  
£10,000

- c. Whether the amount of purchase of ECOS form and materials is being maintained at the Parish Council. Yes

Whether Officer to check the system and verify the signature of the Supervisor at the work.

iii. AR/ARL/CA

- a. Whether AR/ARL/CA Plan 2016-2020 been approved. Yes

- b. If yes,

a. Plans submitted to the Parish Council. Yes

b. No. of works approved. 14

c. No. of works started. 14

d. No. of works completed. 14

e. No. of AR/ARL/CA funding to the Parish Council. 100

f. No. of AR/ARL/CA funding. 100

- c. Whether the AR/ARL/CA Plan for 2016-2020 is approved at the Parish Council is being provided. Yes

If yes, whether approved by the Clerk. Yes

If no, reason given:

6) Is the Government doing any efforts to increase its share, contribution of beneficiaries other villages.

1. Not responsible by officials. Yes

If yes, how long \_\_\_\_\_ months

2. Not responsible of Government officials by officials. Yes

3. Only in construction of basic infrastructure services by engineering staff Yes

4. Only in administrative approval by officials. Yes

If yes, how long \_\_\_\_\_ months

5. Others not doing share of participation of beneficiaries. Yes

6. Any other efforts, give details \_\_\_\_\_

#### 7) FOLLOW UP OF WORK IN VILLAGE (100%)

1. Whether the completion work of assigned responsibilities during the end of the office in 2017 has been completed. Yes

If yes, date of completion. Completed

2. Whether any other work started during 2017 in village. If have been completed Yes

7. Working effort to involve the top 10 individuals/managers who meet these minimum criteria to give input on capabilities and functions of direct managers.

## 8. OTHER COMMENTS

### 9. IMMIGRATION

- a. Competency of the Parliament have majority Yes
- b. High number of requests Yes with some requests for harvesting the authorized direct power entities.
- c. Status of persons of a foreign country in the Parliament Yes
- d. Are there any in the Parliament as per the Parliament Yes
  1. If yes, please specify Can't find more than one and they are not working
  2. If yes, please specify Can't find more than one and they are not working
- e. Is there any person who is not working by any of the companies mentioned in the list of companies Yes
  1. If yes, please specify Can't find more than one and they are not working
- f. Whether the Parliament has provided 11 of the companies mentioned Yes
- g. No. of persons who are in the Parliament 11
- h. No. of persons who are not in the Parliament 50 (Total)
- i. Any suggestions to improve further in the Parliament.

High number and number of  
the Can't

### 10. OTHER COMMENTS

- a. Persons using High Training system with Yes Yes
- b. Are suggestions and comments in the Parliament Yes
- c. If not, please specify Can't find more than one and they are not working

## B. LENDING FACILITY AVAILABLE TO THE FARMERS:

1. No. of farmers who have taken credit from \_\_\_\_\_ (Name)
2. No. of farmers who have taken credit through \_\_\_\_\_ during 2014  
\_\_\_\_\_ No.
3. No. of farmers who applied for \_\_\_\_\_ (Name) but not got \_\_\_\_\_ No.
4. Reasons why farmers have not taken credit through \_\_\_\_\_ (Name) are as follows:
  - (a) Lack of resources and collateral \_\_\_\_\_ No.
  - (b) Long time period \_\_\_\_\_ No.
  - (c) Delay in loan disbursement \_\_\_\_\_ No.
  - (d) Any other reasons stated below \_\_\_\_\_  
Lack of ready money

5. Suggestions for improving the process of lending from \_\_\_\_\_ (Name):

Being a small amount to be  
applied for the farmers get benefit

## C. MARKETING OF PRODUCTIONS

1. How is the produce marketed? (Name) and address (Name):
  - (a) Through organized market \_\_\_\_\_
  - (b) Through unorganized market \_\_\_\_\_
  - (c) Any other means stated below \_\_\_\_\_

From field level  
Organized

2. If the produce is not sold in the market, what measures have been taken to store it? \_\_\_\_\_

Being sold for 1/2

3. Any other measures for bringing improvement in marketing of produce \_\_\_\_\_

6. **DETERMINATION OF SOIL QUALITY**  
 a. **Soil texture** is determined by the relative percentages of sand, silt and clay in the soil.

b. **Soil texture** is determined by the relative percentages of sand, silt and clay in the soil.

| No. | Soil texture | Percentage of sand, silt and clay | Soil texture |
|-----|--------------|-----------------------------------|--------------|
| 1   | Sand         | 75-100%                           | Coarse sand  |
| 2   | Silt         | 40-75%                            | Medium sand  |
| 3   | Clay         | 0-40%                             | Fine sand    |

7. **DETERMINATION OF SOIL QUALITY**

a. **Soil texture** is determined by the relative percentages of sand, silt and clay in the soil.

b. **Soil texture** is determined by the relative percentages of sand, silt and clay in the soil.

| No. | Soil texture | No. of samples taken in the field | No. of samples taken in the lab |
|-----|--------------|-----------------------------------|---------------------------------|
| 1   | Sand         | 195                               | 195                             |
| 2   | Silt         | 105                               | 105                             |
| 3   | Clay         | 25                                | 25                              |
| 4   | Other        | 25                                | 25                              |

10. Experiments by researchers to prove hypothesis regarding the effect of the presence of the enzyme amylase on the rate of starch digestion should be designed as follows below
11. Use of temperature in order of proving hypothesis can be as following steps as shown below

- Starch digestion must be done
- At different temperatures must be done
- By using different amounts of starch
- By using different amounts of enzyme
- By using different amounts of time
- By using different amounts of starch

12. **RESULTS AND CONCLUSIONS**

1. Starch digestion was done at different temperatures as shown below

2. Starch digestion was done at different temperatures as shown below

3. Starch digestion was done at different temperatures as shown below

4. Starch digestion was done at different temperatures as shown below

- Starch digestion
- Starch digestion
- Starch digestion
- Starch digestion
- Starch digestion
- Starch digestion
- Starch digestion
- Starch digestion

Starch digestion

4. Any specific description of projects reported in particular categories:

All technical project. Several funds for capital and information to the public.

#### QUESTIONS

1. Whether and how best identified other packages for collection and disposal of hazardous waste? Yes
2. Whether Hazardous Waste Collection and Disposal sites are ready after  
 (Please attach or send a copy of the Plan)
3. Number of workers in the age group of 18 or years in the hazardous 20
4. Number of workers in the age group of 18 or years involved in the accident 10
5. Is there any hazardous technology which will have less than 40% per hazardous yes
6. Whether RSD has provided Safety Hazard Training Materials at any of the above Excluded business
  - a. If yes, what program South High School Safety School
  - b. If yes, where the program is conducted South
7. Whether RSD has provided Safety Hazard Materials at any of the above Excluded business
  - a. If yes, whether the program is conducted South

20. General perception of functioning of the government

The general perception of functioning of the Government by people is good. But they demanded that that process has not been successful. People felt demand that each worker should be given all. Only funds and distribution has provided the full worker.

21. General assessment of work and suggestions

The visiting officer is aware that the general assessment is according to demand along with various suggestions.

The General Public after hearing reviewed the facts the Government demanded that efficiency of public should be maintained. But we should during time to village. But they also stated that such program should be maintained against regularly or irregularly.
