III	Overall perception of functioning of the government:
	People are keen to avail benefits being offered by various flagship / welfare schemes to improve their economic condition. But lack of staff of various departments doesnot allow these benefits to reach poor of the poorest. Most of the public is left unattended as no deptt. has sufficient staff at Panchayat level which can guide people at gram root level.
IV	Overall assessment of visit and suggestions:
	(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The area is very backward in terms of connectivity and other infrastructure of modern times. Basic essential requirements of life like roads, health, water, electricity are almost missing.

⇒ To improve upon condition of Panchayat, immediately road should be constructed.

⇒ Health centre should be upgraded with infrastructure to reduce mother mortality rate.

⇒ Flagship / Welfare Schemes have not reached gramroot level; Lack of staff and low awareness amongst PRI's is one reason.

Proper implementation of the schemes shall improve socio-economic condition.

⇒ Area has potential for temperate fruit crops.
