

III Overall perception of functioning of the government:

As reported by local population during the programme field functionaries are performing better to the utter satisfaction of public but are facing delay in release of funds in some schemes.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Ranchayat is functioning well in collaboration with RDD Department. People are satisfied with the functioning of Ranchayat. The topography of Ranchayat being hilly so dairy farming and rearing of Apiculture industry may be encouraged.
