

## GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	<p>Any major complaint brought to the notice of the Visiting Officer:</p> <p>The field staff of different departments like Agriculture horticulture, ICDS, social welfare, PHE, PDD are reportedly found negligent of their duties. The people have openly complained that the village is completely ignored by the concerned officials.</p>
II	<p>Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far:</p> <p>Drinking water facility is a burning issue. Roads are not in good condition Poor hygiene rules the village The Primary Health Centre needs immediate attention.</p>
III	<p>Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)</p> <p>The village is facing the crisis of drinking water scarcity. The pipeline from Khamoh needs to be installed on warfoot basis to get rid of this problem. The Primary Health Centre is housed at an unhygienic place that is unsafe as well. A dispute between the landowner (who has given his land for construction of building) and Health department needs to be addressed/resolved at the earliest so that PHC could function properly.</p>
