

GENERAL ASSESSMENT OF THE VISITING OFFICER:

Urgent public requirements in order of priority (Max. 07):

1. providing PMAY Scheme to four identified beneficiaries left out from the sanctioned list (copy with MPW)

2. construction of protection wall near the houses of Mohd Subhan Sheer guki and Rashid sheer guki on Hapat Nala and also on other spots

3. tape water connection be provided to Kankari Mallah, Bathi Mallah by improving left system by providing power connection.

4. Construction of R/W and Soling of road from Mugam road to pump shed

5. Construction of bridge and canal Zangar near Kankari Mehla Quil-A

6. need one T & K Bank Branch along with ATM

7. Construction of foot culverts at different spots of Dathgam khul (at least 10)

II Any major complaint brought to notice of the Visiting Officer:

1. Some of the most deprived families have been given APL card instead of BPL card

2. most deserving cases for PMAY have not included in the beneficiary list.

3. need of (100) electric poles and (03) transformers.

4. But single pole not installed till date. The water lifting system is useless as power connection is not available to the system by the hindrance of some people.

III	Overall perception of functioning of the government:
	Over all Govt, departments are functioning in a good minor but some departments like social welfare, labour and agriculture need to reach the deserving people and solve their problems at their door steps.
IV	Overall assessment of visit and suggestions:
	(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The demands, complaints, requirements and P.C (14) plan of redressed properly with practical implementation may change the life style of the people, and people will participate in future programmes of B2V. The RDO employees needs appreciation if performed better. The visiting officers may be authorised to remain in touch with the departments.
