

L) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Urgent public requirements in order of priority (Max. 07):
	1. Lift Water Supply scheme for wavora A'
	2. Footbridge/ crossing on nallah wannon at ward no 06
	3. Installation of new 4 no Transformers and new 200 electric poles (47)
	4. Flood protection work on b/s of Nallah Wannon & Gagel.
	5. BDO office, Community hall and Tourism hut with public park.
	6. Four new model ICDS centres be sanctioned in addition to existing ICDS.
	7. Lift 'irrigation' scheme from wannon nallah to facilitate irrigation for whole wavora.
II	Any major complaint brought to notice of the Visiting Officer:
	Hot line/ Generator or lift wss for wavora A Health centre/ Hospital not established. Unemployment.

III Overall perception of functioning of the government:

Basic facility for drinking water & irrigation need urgent review.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

- 1) Panchayat team is new & energetic but the demands projected in B2V1 but not started made them hopeless.
- 2) Lack of awareness as such collective awareness camps be organised.
- 3) Hotline / Generator for WSS be provided which will facilitate for many GP's
