7.	Community Hall
II	Any major complaint brought to notice of the Visiting Officer:
	Release of Amount borne out of construction work through MGNREGS done during year 2017-18.

III Overall perception of functioning of the government:

The people were most unsatisfied regarding the functioning of Government especially the implementation of State/Central Schemes.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Govt. functioning mostly remains occult due to lack of awareness among masses, causing dissatisfaction. There must be thorough publishing & advertisement along with maximum involvement of inhabitants during any Govt. work execution.
