III Overall perception of functioning of the government:

The government schemes in Karman need to be organised in full scale & full vigour. The projects framed in various meetings like Bv, are not being fully implemented.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

The quality infrastructure is absent in village. The roads are in bad shape and need to be. The suggestions made in previous Back to village programme need to be implemented. The employment sector need to be strengthened.
