

L) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Urgent public requirements in order of priority (Max. 07):
	1. Drinking Water Supply to the Uncovered areas of G.P. Halga.
	2. Installation of LT and H.T Electric poles and upgradation of Electric transformers & Street Lights.
	3. Being an 'APPLE TOWN' there should be an organised market/mandi where people can easily sell their crop/fruits.
	4. Ultra High density plantation should be adopted near about 200 canals.
	5. One Cold storage building should be constructed in the panchayat.
	6. Over Head water Tank should be constructed in this panchayat.
	7. Macadamization of Roads/Inner links in the panchayat. Installation of an ATM machine at panchayat.
II	Any major complaint brought to notice of the Visiting Officer:
	The Horticulture Sector was severely affected by the recent snowfall. So affected farmers are seeking monetary compensation from the government. The KCC loan of the farmers may be let off/exempted.

III	Overall perception of functioning of the government:
	The People of the area are not happy with the Government, as the issues/requirements raised during B2V1 were not fulfilled. However, the work conducted by the staff of Rural Development Department exclusively MGNREGA staff were praised by the people.
IV	Overall assessment of visit and suggestions: (the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The B2V2 is unique in terms that it fulfills area specific demands by involving common masses in decision making process. It also gives impetus to functioning of Panchayat Raj Institutions. At last the demands/requirements raised by the people in B2V2 should be fulfilled within short period of time.
