|     |                                                                                                                                                                                                                                                        |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| IV  | Urgent public requirements in order of priority (Max. 07):                                                                                                                                                                                             |
| 1.  | Drinking water.                                                                                                                                                                                                                                        |
| 2.  | Electricity & solar lights besides street                                                                                                                                                                                                              |
| 3.  | Upgradation of inner link roads with culverts.                                                                                                                                                                                                         |
| 4.  | Removing encroachment from canals & also improve flow of water through canals.                                                                                                                                                                         |
| 5.  | Establishment of sub-health center with all facilities                                                                                                                                                                                                 |
| 6.  | Playground.                                                                                                                                                                                                                                            |
| 7.  | Establishment of three more Anganwadi Centres.                                                                                                                                                                                                         |
| V   | Any major complaint brought to notice:                                                                                                                                                                                                                 |
|     | A number of complaints were received during interaction with inhabitants such as scarcity of drinking water, leakage in tap water pipes, shortage of electric poles, lack of health facilities, improper irrigation of supply, lack of playground etc. |
| VI  | Overall assessment of visit (Public Services): Please mention best practices, if any, observed                                                                                                                                                         |
|     | Govt. has provided a number of services in village but most employees are not implementing the schemes & duties in true letter & spirit. Only the work of RDD is satisfactory.                                                                         |
| VII | Overall assessment of visit (Panchayat Functioning):                                                                                                                                                                                                   |
|     | All functions & assignments under panchayats are satisfactory. Panchayats enable people to actively participate in democratic process at grass root level.                                                                                             |
