iii)	Non-availability of high yielding variety of seeds and fertilizers.
iv)	No awareness regarding the various schemes of different departments.

III	Overall perception of functioning of the government:
	The panchayat is hilly and remote area of block wavoora. The panchayat is lacking many facilities which have been neglected so far. The RDO dept. is doing well to some extent but no attention is given by the other departments. Therefore, extra attention is required toward the said panchayat of the block.
IV	Overall assessment of visit and suggestions:
	(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The panchayat is hilly and remote area of block wavoora. The panchayat is not connected to all weather roads and no internal c/c brick roads. The L.T network is not proper and there is dire need of installation of solar light. A PDS is required in the Dingerpati & Passaidam Hamlets.
