|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| IV  | Urgent public requirements in order of priority (Max. 07):                                                                                                                                                                                                                                                                         |
|     | 1. Drinking Water facility                                                                                                                                                                                                                                                                                                         |
|     | 2. Primary Health Centre                                                                                                                                                                                                                                                                                                           |
|     | 3. Veterinary Centre                                                                                                                                                                                                                                                                                                               |
|     | 4. Sheep extension Centre                                                                                                                                                                                                                                                                                                          |
|     | 5. Craft and Skill development.                                                                                                                                                                                                                                                                                                    |
|     | 6. Infrastructure of Higher Secondary School.                                                                                                                                                                                                                                                                                      |
|     | 7. Road from kukroosa to Waisa Bala (WBM).                                                                                                                                                                                                                                                                                         |
| V   | Any major complaint brought to notice:<br>The officials of different department especially Veterinary, sheep husbandary and agriculture do not aware the general public about the different govt. Sponsored Programmes and Schemes which largely become the impediment in their effective Implementation.                          |
| VI  | Overall assessment of visit (Public Services): Please mention best practices, if any, observed<br>The G.P is very Backward and the people are mostly poor. They lack basic facilities like, education, electricity, drinking water, roads, toilet, etc. The people are very hopeful that Back to Village will improve their lives. |
| VII | Overall assessment of visit (Panchayat Functioning):<br>Panchayat is working well. They are trying <sup>their</sup> best to improve living facilities.                                                                                                                                                                             |
