	The Gram Sabha committee constituted in BV complained that The G.P. use raw water for drinking purposes so there is a threat of some waterborne disease.
	ii) The Sikh community which is a minority in the G.P. complained that a huge Chinar tree has engulfed Gurudwara and some residential houses and the tree is a big threat to life and property. My suggestion is to cut down the tree through legal means and plant more trees in the G.P. B2V2/PD&MD/2019 in village common and pastures forest in the G.P.

Overall perception of functioning of the government

Overall perception of the functioning of the government is not satisfactory. The villagers of the hilla do not participate in the programme as nothing has been done in respect of (Box-2) also more needs to be done for improvement of perception of functioning of the government.

Overall assessment of visit and suggestions.

(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

No Panchayat committee in GP
No participation from public

Due to the support of other departments and Gram Sabha, the visit went successful but a lot more needs to be done to make people participate in such programmes.
