The perception about the govt is positive as the employees of the line departments are always at the disposal of the people living in the panchayat.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Visit under B2V2 has been a good experience in reaching to the people and listen to their grievances at their door. Even though the response of the people was moderate, still no problems were faced by them were discussed by the villagers and addressed was taken up with the line depts. In the light of suggestions are being made -

1. Basic facilities like power, water and health care need immediate technical assistance regarding sowing and harvesting of the crop and
2. High yield seeds (hybrid) needs to be addressed.
3. Generation of employment opportunities for highly educated, skilled and youth to be created through the implementation of govt. schemes.
