# I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer: The demands listed in B2V1 & B2V2 have not been implemented at all. We the people feel that the B2V program is just a formality but not practical.
II	Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far: → PHE & subcentres → High school & two primary schools. → 250 electric poles & 3-100 KV transmission. → Drinking water supply scheme. → Lift Irrigation scheme. → Modernisation of inner link roads.
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.) In the current B2V3 visit, the major complaint voiced by general public is that the basic requirements listed in B2V1 & B2V2 have not fulfilled. It creates a distrust b/w Govt. & people and also with the visiting officer. It is suggested that the demands listed in B2V1, B2V2 and B2V3 be fulfilled on priority basis and hence make the B2V program a success.
