II Any major complaint brought to notice of the Visiting Officer:

Old age pension is provided to the beneficiaries at Pattan and should have been available at Kunjar instead due to its proximity.

III Overall perception of functioning of the government

Unavailability and lack of timely disbursement of funds for carrying out developmental works is the major hurdle in the development of the village. Besides Encroachment of land by people also acts as hurdle for initiating any construction work.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

People enthusiastically participated in B2V1 but were completely disheartened due to lack of implementation / Initiation of any developmental work assured during B2V1. But people are still hopeful taking B2V2 as follow up for reviewing B2V1.
