III Overall perception of functioning of the government:

All the departments are performing their ~~depart~~ duties sincerely. RDD has done a commendable job by creating various important assets.

V Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

The visit has been a great experience where everyone cooperated upto their best level of satisfaction. As majority of the population is ST constituted but they are not getting the benefits of the caste upto the best levels.

= need of two primary schools at sheekh mohalla & khatana mohalla.
= Upgradation of MS Khodi
