

I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

Urgent public requirements in order of priority (Max. 07):

1. Improvement in ^{main} road surface and correction of grades, along with construction of better drains.
2. Upgradation of transformers, ~~and~~ electricity wiring and poles.
3. CAPD depot non-existent, they require ~~as~~ a PDS outlet, and enhancement in PNH quota at these outlets.
4. ~~Playground~~ & recreational facility is urgently needed.
5. Financial inclusion required, loan waving and easy economic development ~~on~~ schemes.
6. Renovation of ^{B.M} School building at Vankar along with fencing and an additional building.
7. Completion of P.H.C building.
8. Pipe water connections for Gujarpati hamlet. (Urgently needed)

II Any major complaint brought to notice of the Visiting Officer:

- The citizens of the G.P demand immediate redressal of the issues highlighted during B.V.
- Demand for issuance of govt. sanctioned wood for construction purposes. The area is marred by criminal deforestation resulting in a two pronged discomfort to public i.e. criminal proceedings & deforestation. So the demand for a depot with sanctioned construction wood etc should be met.
- Demand for regular uninterrupted electricity supply.

B2V2/PD&MD/2019 frequent power cuts have become a nuisance in the area, resulting loss to small industry. Education of student & general discomfort to the population on forest land.
