	School premises and upgradation of eims Kalantara 7. to secondary level may kindly be provided.
II	Any major complaint brought to notice of the Visiting Officer:
01.	Farmers of e.p Kalantara suffer badly due to damage of Shah Khul. Fertile Land converted into desert. Shah Khul please be restored on war footing basis.
02.	Dredging and p-bunds along with right rafter from Kalantara Bala to Kalantara Payeen be done by way of creat bunds.
03.	Demarcation of pasture Lands on priority to get free from encroachment on war footing basis be done in e.p.
04.	Renovation of Panchayat Bhattar Kalantara Pgt.

III	Overall perception of functioning of the government:
	As per locals Govt failed in resolving main issues of A.P. Kalamra instead of repeated demands through B2V1 programmes and also through other agencies as well. The people attended in a very less number in B2V2 programme.
IV	Overall assessment of visit and suggestions:
	(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.) Improvement needs in irrigation system, Road & connectivity system, PHE delivery system, Hospital facilities, infrastructure in Educational institutions, facilities in agriculture and Horticulture centres and individual beneficiary schemes etc. Steps be taken without any delay for redressal of all issues in A.P.
