III Overall perception of functioning of the government:

There is lack of communication right from the highest authority upto the village level (local) Govt which makes the process of the affairs difficult.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

The visit did not went as per the scheduled plan as the situation at the ground level is very poor is very loose, there was no cooperation by the locals, because the locals are less hopeful. However the respective departments cooperated very well particularly RDO department.
