III Overall perception of functioning of the government:

The overall perception of the functioning of the Government is good. The accessibility & responsiveness of the departmental staff is also good/satisfactory.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

The Panchayat Huda B.K.pora requires attention of the District Administration in order to redress the genuine and long pending demands of the public. Even drainage, roads, education, health, irrigation sectors are ~~not~~ having infrastructure upto mark/latest equipments which has resulted in lack of development.
