NOTES

Visiting Report, Panchayat-
LEERAN (B2V3)

During my visit (B2V3) I have visited minimum wards of panchayat Leeran (B2V3). I have personally taken road sales from sales phala, sabu and dal sabu along with Centered officials, Panch, Subpanch and Documented list of Panchayat in which resolutions are passed. I also inspect Govt. running institutions like Anganwadi centres, schools, Health Sub-centre, Kalyan Dept and RDS Gram Panchayat. I find it works done. Moreover, most of the people deals with agriculture. Production products Agriculture department have provided maximum credit Kisan Credit Card (KCC) and achieved 100% target. Maximum farmers are covered under PM Kisan Nidhi schemes and achieved 100% target. Farmers feels business over agriculture dept. for the benefits of all schemes which were given to the inhabitants of Panchayat LEERAN (B2V3).

Power and water issues forward for covering most area of PPT to be electrified but some areas needs to be electrified. Poles and wire is the basic need of electricity.

Q - But what is (PPT) dept. Drinking water supply lines are not properly functional. People say for water, water supply schemes must be on priority.
