III Overall perception of functioning of the government:

If the govt. shows or launches some scheme, but there is lack of coordination between the various departments for which ultimately a common man suffers.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

The officers at Tehsil or district should be made more accountable and there should be complaints and issues of the general should be resolved in time bound manner.
