	This Panchayat is spreaded in vast area of about 6-15 km 5 km. having mostly SC & ST population (total population = 3200 approx), depending mostly on farm activities. For the holistic development of Panchayat, more funds are required in comparison to other small Panchayats as all the Panchayats are getting approx. same amounts of funds under back the village programs.

III	Overall perception of functioning of the government:
	Overall, all the government institutions in the Budget are doing well especially School Education & R.D.D. But due to unavailability of required funds many works are pending.
IV	Overall assessment of visit and suggestions:
	(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	This Budget is very big in terms of area & is also flood prone with high demand for domestic sewage disposal. It requires specialized technical support from government & appropriate funding to solve this.
