III Overall perception of functioning of the government:

The people are satisfied to around 50% level as far as functioning of govt. is concerned. Awareness by extension officers about different departments will improve this perception in future.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Lehri is located quite far off from district headquarters and often faces communication problems during problem addressal & referral. It has a strong market for meeting its day to day needs. It has a good agricultural back. Coordination with different departments will uplift this area.
