III	Overall perception of functioning of the government: The people are dissatisfied with the outcome of B2V1. The works & demands of people were not fulfilled. People are facing problems on multiple fronts and particularly the availability of basic amenities viz. water supply, Power supply, road connectivity etc.
IV	Overall assessment of visit and suggestions: (the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The Back-to-village programme is an encouraging step to decentralize the powers and to make the public officers accountable to common people at Panchayat level. People have much expectations with the programme and in order to uphold their expectations concrete outcome should be from B2V2.
