iii) Detailed perception of functioning of the government

The issue feels political except that the
line and say always show up in different
the 7 kinds made in only 2 days and
before we can increase quality of people

iv) Overall assessment of work and suggestions

(The meeting will be to ensure that the present assessment is conducted in order
along with correct suggestions.)

As in, we are working together as a group
and people go to village meetings, the manager/
district made earlier in 8-10 days and the
district 2. This made it to be a good thing any
other programme is planned. The only good
thing is that we are ensuring people participation in
long work on can trust of people.
