Satisfactory

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

During my visit to the panchayat Halga the field observed people facing many problems i.e. lack of iron electric poles and completely damaged LT line, lack of proper drainage system, un-maintained lime roads, irregular drinking water supply. very less attention has been paid by the concerned deptts. So the panchayat Halga needs proper attention from the concerned deptts to redress their above mentioned grievances without any further delay on priority.
