Message

One of the key elements of good governance is the empowerment of democratic institutions so that people become true partners in decision making. After the successful conduct of Panchayat Elections in 2016, it was important to reach out to the people for getting their valuable feedback for making the functioning of the democratic institutions vibrant and strengthen institutions of governance.

With a view to reaching out to every nook and corner of Jammu & Kashmir, the Government conceived 'Back to Village' (B2V) programme, the first of its kind in Jammu & Kashmir. The programme which was organized from June 26-27, 2019, across all 4421 Panchayats focused on engaging Panchayats, collecting feedback on delivery of government schemes/programmes, capturing specific economic priorities and undertaking assessment of needs of the villages. People came out in droves to welcome the visiting officers and appreciated the initiative of the government. The initiative was widely appreciated with Prime Minister Mr. Narendra Modi mentioning it in 'Mann ki Baat' on 26th July 2019. The interface was visible and responsive demonstrating and enthusing that some officers stayed in their Panchayats beyond the schedule.

Government has already initiated trials for the Panchayats to address the priority works identified during the first phase of B2V programme.

An B2V envisages evolution development of Panchayats with a sound financial base. It is expected that the initiative will direct focus to assess the level of empowerment and institutionalization of the Panchayati Raj Institutions (PRIs) at the grassroots level vis-a-vis the impact of various flagship programmes and welfare schemes on the rural populace. The feedback so obtained will help the government to take the various central and other government schemes/programmes in improving delivery of village-specific services and making the village life better in terms of improved amenities and facilities. I am confident that B2V programme will evolve into an institutionalized, doorstep governance programme, which will help to deliver timely and better services and development.

I heartily appeal to Panchayati representatives as well as people to come forward to express their views before the visiting officers for strengthening the PRIs.

I would urge the Deputy Commissioners to coordinate the visit of officers to various Panchayat Haljas for better outcomes.

I am confident that our officers who will be a part of the B2V programme will work indomitably to make this initiative a grand success.

(B. V. R. Subrahmanyam)
