The overall perception of the public towards present Govt is good but at the same time people complain of delay in funds release, and insufficient funds flow.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

The visit to the Jukhal Balsroo Panchayat is a very good experience. The people of the area are very co-operative. The per capita income of the public can be increased by giving them basic facility of road connectivity. The life of the people without road connectivity is very tough and time consuming. The education facility can be improved by upgradation of the existing Govt schools in this Panchayat, so that time of school going children can be saved.
