## Message

I am delighted to learn that the 3<sup>rd</sup> version of the much-acclaimed *Back to Village-3 (B2V3)* programme, a unique and ambitious exercise of taking government to the doorstep of people is being organized from 2<sup>nd</sup> to 12<sup>th</sup> October 2020, across Jammu & Kashmir.

In June 2019, the Government of Jammu and Kashmir embarked on the *Back to Village* programme, which involved the visit of over 4000 Gazetted officers of J&K to every Panchayat and spending two days and a night there. It was also an opportunity to support and strengthen the newly constituted Panchayats. The programme was a huge success. Visiting officers were welcomed and feted by populace eager to share its troubles and travails with what they had perceived as an unresponsive administration. In fact such was the enthusiasm generated by the programme that the Hon'ble Prime Minister made a mention of it in his "Man Ki Baat", calling it "a festival of development, public participation and public awareness."

Encouraged by the success of the programme, the government organized the *Back to Village-2 (B2V2)* in November 2019. This time the focus was on ensuring that funds and functions devolved to the Panchayats were used without any bottlenecks and that beneficiary oriented schemes actually reach the last person in the queue. The Hon'ble Prime Minister again made mention of the programme in his Independence Day speech of 2020.

I believe the upcoming version of the *Back to Village-3 (B2V3)* programme will be an attempt at a concentrated and determined developmental push in the region. The actual programme shall be preceded by a three week Jan Abhiyan (Awami Muhim) which shall focus on 3 concurrent and interconnected goals: Jan Sunvwai (Awami Sunwai) - Public grievances redressal, Adhikar Abhiyan (Muhim Barai-e-Haqooq) - Public Service Delivery and Unnat Gram Abhiyan (Dehi Taraqiyyati Muhim) - Delivery of Development on ground.

I am confident that this unique effort shall earn the respect of the people of Jammu and Kashmir and that it will be remembered for long as a unique and sincere effort of the government to reach the doorsteps of the people.

## Message

Jammu and Kashmir continues to witness a transformation of Panchayati Raj Institutions ever since their constitution in 2018. Through the first of its kind initiative - 'Back to Village'- and the Government's decision of delegating funds, functions and functionaries to PRIs, grass roots democracy has flourished in the Union Territory. As a next step in this direction, the phase 3 of the 'Back to Village' programme 3 is being held from 2nd October to 12th October, 2020, which will give a deeper push to the institutionalization of PRIs.

While the first B2V focussed on interaction and information on local needs, the second B2V focused on strengthening and institutionalizing Panchayats, handholding the newly elected PRIs and focusing on saturation and 100% coverage of individual beneficiary oriented schemes.

Now, building on the foundation laid by B2V1 and B2V2, the B2V3 has been planned as an 'Action' edition with its focus on implementation and execution. This edition will aim to address grievances and needs by concrete action on the ground, thus making it more ambitious and action packed.

Further, local demands are being taken up through a three week long public outreach exercise-Jan Abhiyan/Awami Muhim, with its three concurrent and interconnected goals of public grievances redressal, public service delivery and delivery of development on ground. B2V3 is also an occasion to assess government functioning and service delivery through an unprecedented proactive Government-PRi interface.

I appeal to all Panchayat representatives as well as people to come forward and proactively participate in the program, thereby making governance more participatory, transparent and responsible.

I also urge the Deputy Commissioners to coordinate the visits of officers to various Panchayat Halqas for better outcomes and ensure adherence to COVID SOPs while arranging various outreach activities.

I am confident that the people and officials alike will once again rise to the occasion and replicate the success of earlier B2V programmes.

# I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I Any major complaint brought to the notice of the Visiting Officer:

- One of the major problem faced by the villagers of each and every village of Panchayat is insufficient water supply. It was the main complaint of these people. Even this was the main issue raised in previous BSVI and BSV2 programs.
- 2nd issue raised by inhabitants is poor condition of roads and hamlets. Villages left out without road connectivity.
- 3rd major complaint of the villagers is poor infrastructure of schools and absence of modest and tech facilities.
- 4th Complaint is demand of PHE not met till now.

II Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far:

- Water reservoirs construction/upgrade in all villages and hamlets of Panchayat.
- Connecting all villages and hamlets with road these are:
  - 1 1/2 km road from Pragati to Behi
  - Sheserna kahan to Sheserna khund
  - Sheserna Main Link to vill kurasoo
  - Main Link road to village Bradse
  - Main Sheserna road near Wankipma via center of village and then connecting it to the upper curve of Sheserna road near reservoir.
  - Road from km 7 Odhasara road to Sheserna road.
  - Macedonisation of Shiva to Behi village road.
- Demand of PHE (pending from a long time)
- Relucting and solving stoppage of cement supply by LDD in the works of MGNREGA.

III Overall assessment of visit and suggestions:  
(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Suggestions for water shortage  
Water is an absolutely necessary element for life. The availability of water has played a key role in the development of nations. Indeed water supply shortage is preventing the development of this Panchayat.  
This water shortage can be met from near water sources. For this far sighted thinkers, planners and engineers need to come up with a plan that will bring prosperity and change to the region.  
In my view, the problem of water shortage in Panchayat Sheserna and adjoining villages could be solved by a water lifting system already prevalent in the area. It needs proper deep sighted upgradation and (or) reimplementation lifting this water from Narmada or River Chinab and conveying it to a central reservoir where it can be treated and supplied to the entire Panchayat and adjoining areas.
