

Back to Village-3

October 02-12, 2020 Governa Peoples' Doorstep

Government of Jammu & Kashmir

Jammu & Kashmir NEW VISION NEW HORIZON

Chief Secretary Jammu & Kashmir

Message

ammu and Kashmir continues to witness a transformation of Panchayati Raj Institutions ever since their constitution in 2018. Through the first of its kind initiative. "Back to Village" and the Covernment's decision of detegating funds, functions and functionaries to PRIs, grass roots democracy has flourished in the Union Territory. As a next step in this direction, the phase 3 of the Back to Village' programme 3 is being held from 2nd October to 12th October, 2020, which will give a deeper push to the institutionalization of PRIs.

While the first R2V focussed on interaction and information on local needs, the second 82V focused on strengthening, and institutionalizing Panchayals, handholding the newly elected PRIs and focusing on saturation and 100% coverage of individual beneficiary oriented schemes.

Now, building on the foundation laid by B2Vs and B2V2, the B2V3 has been planned as an 'Action' edition with its focus on implementation and execution. This edition will aim to address grievances and needs by concrete action on the ground, thus making it more ambitious and action packed.

Further, local demands are being taken up through a three week long public outreach exercise-lan Abbiyan/Awami Muhim, with its three concurrent and interconnected goals of public grievances redressal, public service delivery and delivery of development on ground. BaV3 is also an occasion to assess government functioning and service delivery through an unprecedented proactive Government-PRI interface.

rappeal to all Penchayat representatives as well as people to come forward and proactively participate in the program, thereby making governance more participatory, transperent and responsible.

I also urge the Deputy Commissioners to coordinate the visits of officers to various Panchayat. Hatqus for better outcomes and ensure adherence to COVID SOPs while arranging various outreach activities.

I am confident that the people and officials alike will once again rise to the occasion and replicate the success of earlier 8zV programmes.
