III Overall assessment of visit and suggestions:

(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Overall a good visit. Initially the general public was engaged as all their major demands in B, & C were not fulfilled. Laterally by the intervention of worthy deputy commissioner etc. the major issues were resolved. Interacted with general public and redressed some small issues on spot. All once all demands are functioning but due to meagerness of funds more of the benefits are deprived to people.
