- No. of households in the Panchayat: 312
- Population (approx) of the Panchayat: 1890

# I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer:	<p>→ Major problem of safe &amp; clean drinking water</p> <p>→ villagers were too much disgusted about the above problem. Also the villagers were demanding a primary school for Wadikhan, Medical sub. centre for GP, Transferrers (Landiwan) poles for the GP. playground at GP. &amp;</p> <p>I as VP. was too much shocked by listening the too much complaints regarding shortage of clean drinking water</p>
II	Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far:	<p>→ safe &amp; clean drinking water</p> <p>→ <sup>opening of</sup> primary school for Wadikhan</p> <p>→ Medical sub centre for GP</p> <p>→ Inner road connectivity for GP</p> <p>→ Irrigation facility for GP</p> <p>→ Bridge b/w Wadikhan &amp; Boniyar</p> <p>→ Construction/ improvement irrigation Knull</p>
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)	<p>After visiting the GP I was everywhere requested by the villagers that please solve our drinking water problem. I myself am suggesting that the problem should be solved as early as possible so that the villagers are satisfied in the nearby programmes so that VP's should not face any wrath of villagers</p>
