Message

I am delighted to learn that the 3rd version of the much-acclaimed *Back to Village-3 (B2V3)* programme, a unique and ambitious exercise of taking government to the doorstep of people is being organized from 2nd to 12th October 2020, across Jammu & Kashmir.

In June 2019, the Government of Jammu and Kashmir embarked on the *Back to Village* programme, which involved the visit of over 4000 Gazetted officers of J&K to every Panchayat and spending two days and a night there. It was also an opportunity to support and strengthen the newly constituted Panchayats. The programme was a huge success. Visiting officers were welcomed and feted by populace eager to share its troubles and travails with what they had perceived as an unresponsive administration. In fact such was the enthusiasm generated by the programme that the Hon'ble Prime Minister made a mention of it in his "Man Ki Baat", calling it "a festival of development, public participation and public awareness."

Encouraged by the success of the programme, the government organized the *Back to Village-2 (B2V2)* in November 2019. This time the focus was on ensuring that funds and functions devolved to the Panchayats were used without any bottlenecks and that beneficiary oriented schemes actually reach the last person in the queue. The Hon'ble Prime Minister again made mention of the programme in his Independence Day speech of 2020.

I believe the upcoming version of the *Back to Village-3 (B2V3)* programme will be an attempt at a concentrated and determined developmental push in the region. The actual programme shall be preceded by a three week Jan Abhiyan (Awami Muhim) which shall focus on 3 concurrent and interconnected goals: Jan Sunwai (Awami Sunwai) - Public grievances redressal, Adhikar Abhiyan (Muhim Barai-e-Haqooq) - Public Service Delivery and Unnat Gram Abhiyan (Dehi Taraqiyyati Muhim) - Delivery of Development on ground.

I am confident that this unique effort shall earn the respect of the people of Jammu and Kashmir and that it will be remembered for long as a unique and sincere effort of the government to reach the doorsteps of the people.

Message

Jammu and Kashmir continues to witness a transformation of Panchayats. The first round of elections was held since their constitution in 2018. Through this first round of elections, the Government has reaffirmed its commitment to the Union Territory. As a next step in this direction, the Government is launching a flagship program to strengthen the institutionalization of Panchayats. This edition will aim to address the needs of the Panchayats and focus on strengthening and institutionalizing Panchayats. This edition will aim to address the needs of the Panchayats and focus on strengthening and institutionalizing Panchayats.

While the first B2V focused on interaction and information on local needs, the second B2V focuses on strengthening and institutionalizing Panchayats. This edition will aim to address the needs of the Panchayats and focus on strengthening and institutionalizing Panchayats.

New building on the foundation laid by B2V1 and B2V2, the B2V3 has been planned as an action edition with its focus on implementation and execution. This edition will aim to address the needs of the Panchayats and focus on strengthening and institutionalizing Panchayats.

Further, local demands are being taken up through a three-week long public outreach exercise in the form of a public hearing. This edition will aim to address the needs of the Panchayats and focus on strengthening and institutionalizing Panchayats.

Physically all Panchayat representatives as well as people to come forward and proactively participate in the program thereby making governance more participatory, transparent and responsible.

This edition aims to ensure Commissioners to coordinate the visits of officers to various Panchayat villages for better outcomes and ensure adherence to COVID SOPs while arranging various outreach activities.

I am confident that the people and officials alike will once again rise to the occasion and replicate the success of earlier B2V programmes.
