

I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer:
	A major complaint raised by almost all the inhabitants of the Panchayat is the non-functioning of Furrah-Zadoora water service scheme. The project is complete in all respects & needs to be functional by settlement of land dispute.
II	Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far:
	① Requirement of LT & HT poles with new transformers to be installed in the Panchayat. ② Establishment of Anganwadi centres at 03 villages mentioned in the B2V1 & B2V2.
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	As a visiting officer, I feel that a large number of works/complaints are not redressed as a result the feedback of the inhabitants was not in a positive sense. The works/complaints need to be fulfilled to make the program a success. The departments like Agriculture & social welfare, Handicrafts must organise programmes in the Panchayat to make people aware about different welfare schemes of the Government.
