Overall I feel that the Panchayat Halka in question, is the remotest area and needs ST Status to all inhabitants and special Central grants to compete with the modern era and challenges. Such as reservation reserved promotion quota and center funding for execution of raising the life standards of the people. Moreover major water supply related issues, macadamization of inner link roads, provision of knitting tailoring and handicraft centers, saahav based on line system, Bunds at different spots, PMAY quota, should be enhanced and Sanctioned.

NOTES

This is a visiting officer at Ppt Balga Bandah,
I found that the RDO dept. played an important
role for smooth functioning of B2V3 Programme.
The role played by ~~RDO~~ MGNREGS Supporting Staff
Particularly GRS (Gram Rozgar Sahayaks) is commend-
able and worth to mention. Their services is yet
to be regularized worked in the dept. Last
18 years and their salaries are meager.
