(i)	during my 3 days stay, the major complaint issue brought to the notice time and again by number of inhabitants of Pandhri is delay in execution/completion of WSS, which has started very back 2012 and still under completion. This WSS is the main source of water availability to each of household. The locals alleged that P.H.E department is not co-operating with them and often involved deception. The local lineam Mrid. Hussain was working sincerely and he has been shifted to another place without telling into confidence Pandhri body and that too without proper replacement of the said lineam. Defuncted Tallets in educational institutions.
II	Major/ urgent public demands) that was/were reflected earlier but have not been addressed so far:
(i)	An urgent public demand issue which was neglected earlier and brought up to different forums are remain unaddressed that is wrong projection shown of population 1957 instead of 2015. The actual population of Pandhri Pandhri Shokri is 2615, But unfortunately neglected and considered 1257 due to this Pandhri is getting lesser share in 14. E.C which is population based. Scheme and that it has with other Pandhri.
