① Rural community is providing feedback.

As strategic direction seems to not be followed & needs to be implemented.

② New Committee of members representing various Panchayat & Panchayat Union members should be constituted.

③ Subject officer dept. in new committee should find scheme & means during assessment done in the Panchayat.

④ The main economic activity is dependent upon the cattle rearing but unfortunately there is one crop that dominates most of the day inside in the Panchayat.

As the Panchayat has 1100 members but only 5 wards has Panchayat Committee & even more suggestions to be demanded.
