Message

I am delighted to learn that the 3rd version of the much-acclaimed Back to Village-3 (B2V3) programme, a unique and ambitious exercise of taking government to the doorstep of people is being organized from 2nd to 12th October 2020, across Jammu & Kashmir.

In June 2019, the Government of Jammu and Kashmir embarked on the Back to Village programme, which involved the visit of over 4000 Gazetted officers of J&K to every Panchayat and spending two days and a night there. It was also an opportunity to support and strengthen the newly constituted Panchayats. The programme was a huge success. visiting officers were welcomed and feted by populace eager to share its troubles and travails with what they had perceived as an unresponsive administration. In fact such was the enthusiasm generated by the programme that the Hon'ble Prime Minister made a mention of it in his "Man Ki Baat", calling it 'a festival of development, public participation and public awareness.'

Encouraged by the success of the programme the government organized the Back to Village-2 (B2V2) in November 2019. This time the focus was on ensuring that funds and functions devolved to the Panchayats were used without any bottlenecks and that beneficiary oriented schemes actually reach the last person in the queue. The Hon'ble Prime Minister again made mention of the programme in his Independence Day speech of 2020.

I believe the upcoming version of the Back to Village-3 (B2V3) programme will be an attempt at a concentrated and determined developmental push in the region. The actual programme shall be preceded by a three week Jan Abhiyan (Awami Muhim) which shall focus on 3 concurrent and interconnected goals: Jan Sunwai (Awami Sunwai) - Public grievances redressal, Adhikar Abhiyan (Muhim Barai-e-Haqooq) - Public Service Delivery and Unnat Gram Abhiyan (Dehi Taraqiyati Muhim) - Delivery of Development on ground.

I am confident that this unique effort shall earn the respect of the people of Jammu and Kashmir and that it will be remembered for long as a unique and sincere effort of the government to reach the doorsteps of the people.

Message

Jammu and Kashmir continues to witness a transformation of Panchayati Raj Institutions ever since their constitution in 2018. Through the first of its kind initiative -'Back to Village'- and the Government's decision of delegating funds, functions and functionaries to PRIs, grass roots democracy has flourished in the Union Territory. As a next step in this direction, the phase 3 of the 'Back to Village' programme 3 is being held from 2nd October to 12th October, 2020, which will give a deeper push to the institutionalization of PRIs.

While the first B2V focussed on interaction and information on local needs, the second B2V focused on strengthening and institutionalizing Panchayats, handholding the newly elected PRIs and focusing on saturation and 100% coverage of individual beneficiary oriented schemes.

Now, building on the foundation laid by B2V1 and B2V2, the B2V3 has been planned as an 'Action' edition with its focus on implementation and execution. This edition will aim to address grievances and needs by concrete action on the ground, thus making it more ambitious and action packed.

Further, local demands are being taken up through a three week long public outreach exercise-Jan Abhiyan/Awami Muhim, with its three concurrent and interconnected goals of public grievances redressal, public service delivery and delivery of development on ground. B2V3 is also an occasion to assess government functioning and service delivery through an unprecedented proactive Government-PRI interface;

I appeal to all Panchayat representatives as well as people to come forward and proactively participate in the program, thereby making governance more participatory, transparent and responsible.

I also urge the Deputy Commissioners to coordinate the visits of officers to various Panchayat Halqas for better outcomes and ensure adherence to COVID SOPs while arranging various outreach activities.

I am confident that the people and officials alike will once again rise to the occasion and replicate the success of earlier B2V programmes.

NOTES

→ Road connectivity from Amora-Basi to Dhamal via Shale.

The main complaint of the people of the Panchayat regarding road connectivity was that, they do not have a direct road connection from their Panchayat to Block headquarter, so they were demanding earlier completion of Basi-Dhamal road. This road will serve the purpose of their direct link to block headquarter through Wardha-Shale path of Shale road (the most highlighted demand of the habitants of said road during ward sabha) to Basi-Amora and adjoining areas. Moreover, restoration of Path between Shale and Basi shall also restore the irrigation khulli of Amora-Kuda tanks damaged for last 8-10 years.

→ W.S.S. installed about 40 yrs back needs repair, at the same time W.S.S. from kudha malla to Basi which was installed some years back is still without water due to the reasons known to the concerned department. As per the public it needs a mere/magre amount to complete the said scheme, which will benefit the entire public of Basi-Amora and surroundings.

→ Regarding the provision of houses under PMAY to the beneficiaries of Panchayat it was observed that people demanded that there are more people who deserve PMAY houses, one of whom was identified at ward no 3 Shale namely Mr Asher Ram. The people here demanded the site for laying to houses under PMAY be opened soon, so that the deriy people can take the benefit of the scheme.

→ One ~~one~~ person namely Bodh Raj has got his house damaged located in W.no.2 during rain/snowfall in Jan 2020 and if not immediately rescued may loss his entire house in coming winter.

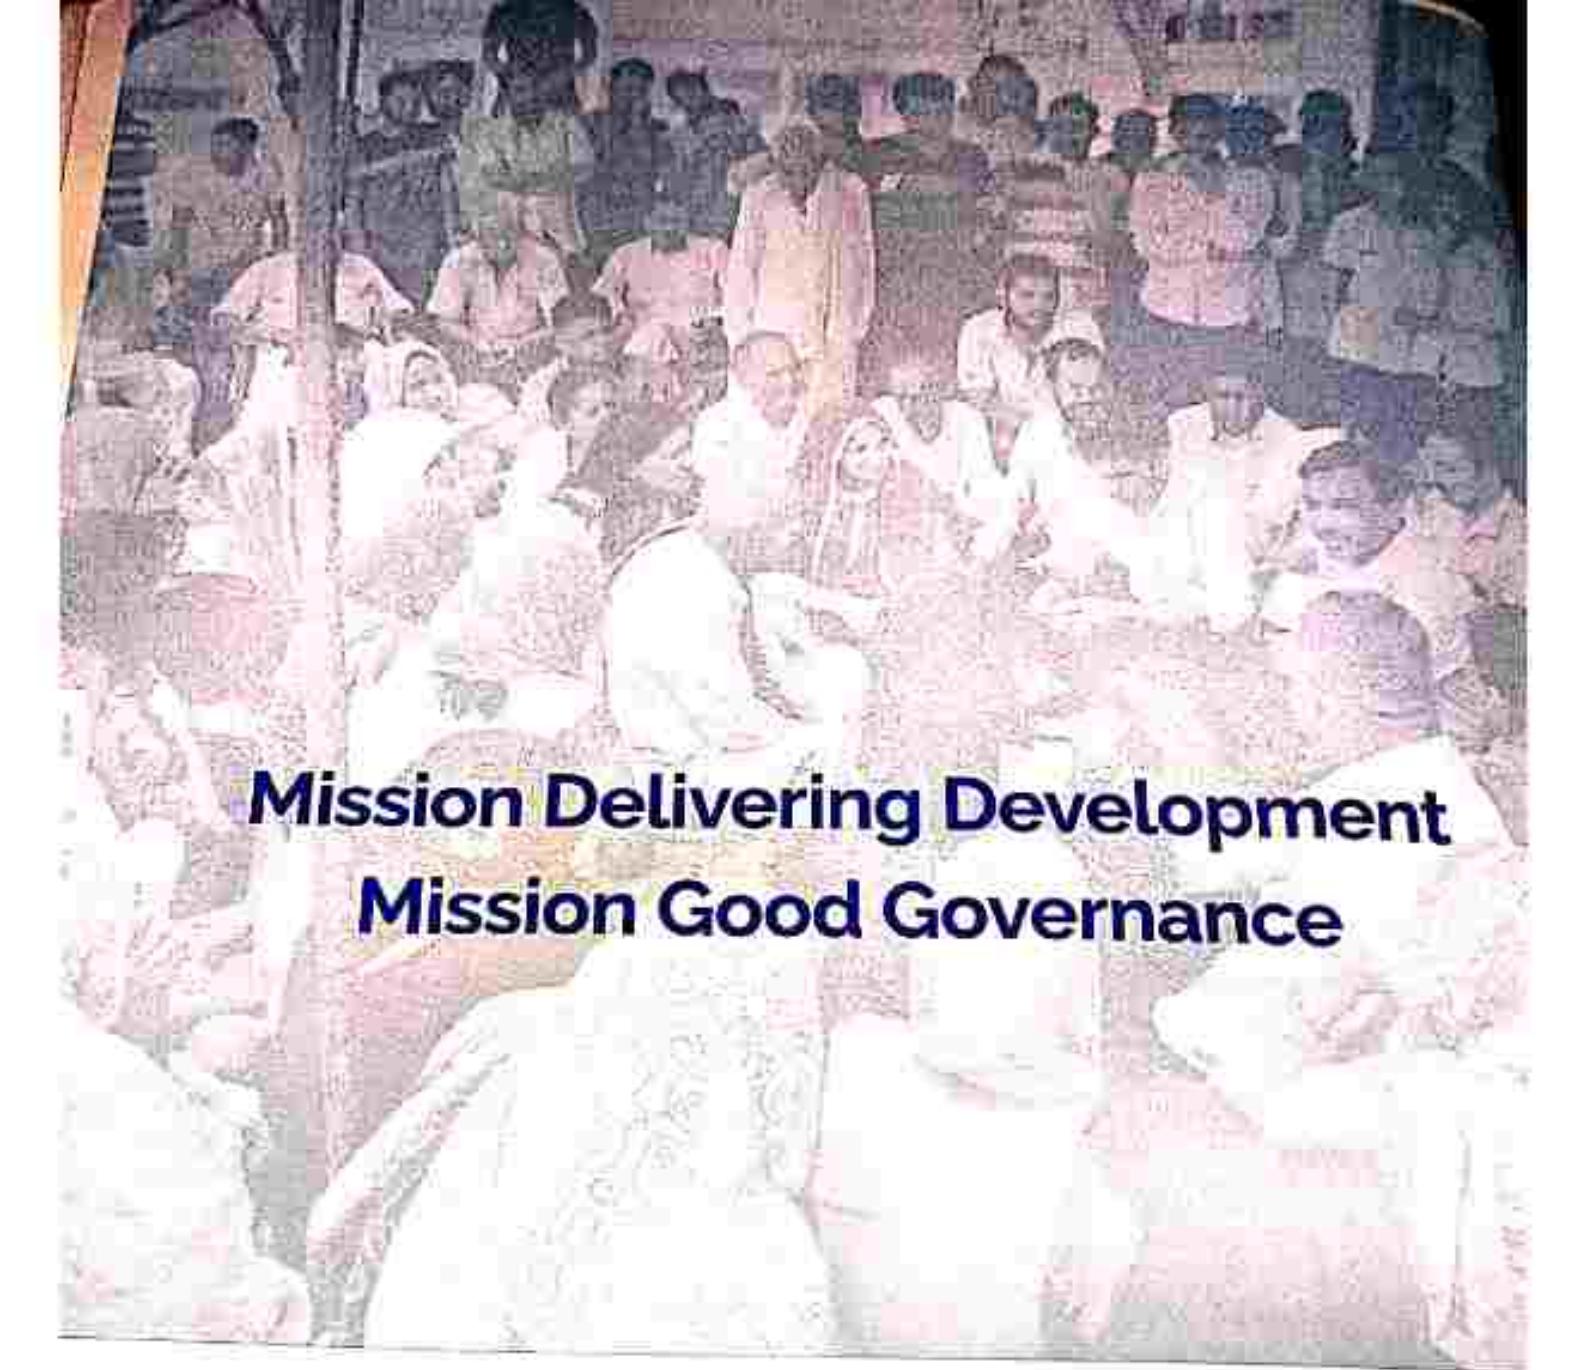

→ The people of the Panchayat also demanded up gradation of H.S. Shale to its level, provision of attorney centre, provisions of 10-15 beds of up grade centre of sub-centre of Health to PHC, distribution of Bank faculty to the habitants of the Panchayat.

→ One of the major issues raised by the inhabitants of W.no.1 & 7, Basi and Amora was about pollution created by the coal plant and demands for its immediate shifting to some other place. As this pollution the entire surrounding comprising of civil population of 150-200 houses of U-Amora Panchayat & 50-70 houses of L-Amora Panchayat in cluding school of T.N.V. High School and Medical college located within in 1-2 km from its sight. So it should be shifted to some isolated place to save the public from pollution.

- Also it is a matter of great concern that one of the recent in ward houses - namely Lakshmi has not got a water tank due to damage done to the PWD scheme between houses so that So the said scheme qualifying suitable to withdraw and its adjoining walls also repaired and restored
- The list of Awar - was received and on spot verification of the list shown, rather it was observed some people have been incorporated from out side no Panchnal whereas some beneficiaries have been left out. So the list needs to be re-verified, re-surveyed and actual beneficiaries be included in the list after complete and door to door survey.
- Two schools are closed at the Panchnal and as such people demanded that they may be opened as soon as COVID - 19 Pandemic is over in the interest of public and students of the area
- The water filter Plant at Bhelli is complete but has not been made functional. So people were also demanding that it may be made functional as the water is directly distributed to public
- The Public of upper Bhelli also demanded that the wallah housing through their Ward be protected and in case it is not protected well in time can cause damage to the adjoining houses in heavy rain or flood. So some needs to be taken for immediate repair wallah - band - protection well in time.
- The people of the upper Bhelli also demanded a khal from Abraonghat to upper Bhelli for regular purpose.
- Anganwadi centre for W.M.O.4. Dharan was demanded by the public of W.M.O.4
