III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.) The functioning of Panchayat is quite satisfactory. The Panchayat members educate people regarding various government schemes with great zeal and enthusiasm. Newly constructed school buildings with lack of repairs need your attention. While during my visit I found a school building (newly constructed) without doors has become a place for animals. Doors should be made available to the Panchayat for the overall development of the Gram Panchayat.
