III	Overall assessment of visit and suggestions. (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
During the over all visit to the Panchayati it has been revealed that the demands suggested in the request submitted by the citizens are being completed urgently and it is suggested that the adequate funds must be allocated for the concerned Agency Dept. So that the surrounding habitant in the area may be able to improve their living standard and they will feel safe right for better as they share time and again approached the local authority officials but as ill luck would have it, they are deprived from the basic facilities so far which is not acceptable hence strongly recommended for quick response of the demands proposed in the given schedule sheet.
