In April 2006, the Government of Jamaica and Unicef announced a five-year village development scheme which involved the roll-out of over 1000 District officers to help to develop communities and improve living standards. It was also an opportunity to support and strengthen the existing community health workers. The programme was a major success, ending officers' work concerns and being well accepted. Officers to share 10 minutes and 10 minutes with their families. It was a great opportunity for the community to get involved in the programme. The programme was a great success, ending officers' work concerns and being well accepted. Officers to share 10 minutes and 10 minutes with their families. It was a great opportunity for the community to get involved in the programme. The programme was a great success, ending officers' work concerns and being well accepted. Officers to share 10 minutes and 10 minutes with their families. It was a great opportunity for the community to get involved in the programme.

Convinced by the subject of the assignment, the government accepted the 2004 version of *2004* in November 2004. The book has been an essential text for students and teachers of the Foreign Affairs course without any further work and has been a great success story. The book is now the only one of its kind in the world. The book is now the only one of its kind in the world.

making the upcoming version of the *Health Village* (H3) programme available online is a coordinated and determined development effort in the region. The strategic programme will be preceded by a pilot under the *Health Village Model*, which will focus on a regional and inter-communal study. In January 1998, Somalia – Islamic organized national African Affairs (MAMI) Berbera Hospital – 9 days Service Delivery and Urban Organ. Hospital with *Health Village Model* / Delivery of Development to the rural

Convinced that this unique effort shall win the respect of the people of America and Europe and that it will be remembered for long as a unique and vibrant effort of the government to reach the heartland of the world.

Mission Delivering Development
Mission Good Governance

GOVERNMENT OF JAMMU & KASHMIR

NOTES

Entire aspects were visited and observed that
the performance of 100/100/100/100/100 is
very poor. Entire area is neglected by PWD/PSO department.
Entire and scattered pipe lines were seen with growing weeds.
Not even a single drop of water in the pipe line in some areas and
all houses were seen. Electric wires in trees and wooden logs hanging
by locals were seen putting life in to great risk. Peoples are
ignorant about various diseases caused by goat. Especially
Bubala disease. Awareness programmes regarding various diseases
in the month of June. Harvesting Month from records that
very low quantity of feed is distributed in the area. Lack of
sheep and animal feed in the area has affected the live stock.
Lack of PWD work in the area ^{is causing} people to move towards
the border areas for basic health facilities even for the first aid.
Various developmental works under various schemes of KDC
are being carried out with lack of documentation from tables
and observed during the visit in various works. Peoples
have faith in the programmes like Bunk's village
in different places because of the retirement of their local
leaders in spot and forgetting major from to higher authorities.
Like vaccination, especially from Katta Bazaar to Sukhal area.
Zoonotic pests.
